D. STUDENT'S RIGHT TO CANCEL

You have the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation shall occur when you give written Notice of Cancellation at the address of the School shown on the top of the first page of this Enrollment Agreement. You can do this by mail, hand delivery, telegram, fax, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed, with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two Notices of Cancellation forms to use at the first day of class, but you can use any written notice that you wish.

If the School has given you any equipment, including books or other materials, you shall return them to the School within thirty (30) days following the date of your Notice of Cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 30-day period, the School may deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation.

If you cancel this agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 45 days after your Notice of Cancellation is received. If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid program funds.

E. WITHDRAWAL FROM COURSE

You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the school will remit a refund less STRF fees, if applicable, within 30 days following your withdrawal. Under California Law, once you have completed or should have completed more than 60% the course based on days or hours, the school is not required to provide you a refund. Thus, per the school catalog and California law, the tuition refund shall be pro rata based on the period of attendance (i.e. the amount you paid for instruction multiplied by fraction, the numerator of which number of hours of instruction which you have not received but for which you paid, and the denominator of which is the total number of hours of instruction for which you have paid) if you completed or should have completed 60% or less. **If you completed or should have completed 60.1% or more, at the time of your withdrawal, there is no refund.** Cal. Educ. Code §94920.

If you are utilizing veterans benefits administered by the VA the following refund policy applies to you: CIT maintains a 100% pro-rata refund policy for veterans using veteran benefits administered by the VA, including chapter 33.

Refund order: 1. School provided scholarships 2. WIOA funds used in conjunction with VA administered Veterans benefits 3. VA administered funds 4. student paid funds.

If the amount you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to make arrangements to pay it. The STRF fee is non-refundable.

H. DISCLAIMER OF EMPLOYMENT GUARANTEE

While the School offers Placement Assistance, the School cannot, in anyway, guarantee employment after the student has successfully completed the program of study.

Students are encouraged to use professional Employment Agencies whose only job is to carefully match the student's skills, qualifications, and preferences with possible job openings with the highest salary.

While the College is a school, not an employment agency, and does not guarantee employment, every reasonable effort will be made to help graduates learn how to find suitable employment.

I. STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd., Ste. 225, Sacramento, CA 95834, (888) 370-7589 or by fax (916) 263-1897.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, (have) prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.
